

Attention: Astronomy and Sky & Telescope Subscribers

Our club need to have at least 5 subscribers for each magazine to qualify for the "club discount". We need 2 more for Astronomy and need to retain the 5 we have for Sky & Telescope-but would gladly add more.

The club rates for one year are: Astronomy \$34 (reg. \$42.95) and Sky & Telescope \$32.95 (reg. \$42.95). Anyone wanting to subscribe, either by renewing their current subscription or starting a new one, just make the check to NEKAAL for the proper amount and send with your renewal notice or the exact address that you want on the subscription to NEKAAL at P. O. Box 951, 66601 or to me at home, Nancy L. Cole, 57 S. W. Pepper Tree Lane, 66611. If you have any questions, please call 266-4911.
